*A message from
our patron,
Rachel Ward (actor):*

"As patron of Aunties & Uncles and an aunt myself to a number of children through the service, I can personally endorse the great value of this much needed charitable organisation. Funds and volunteers are desperately needed, not only to continue running existing networks, but to establish Aunties & Uncles services in increasingly depressed and needy areas. Please help us to help each other."

*Barbara Holborrow
(former NSW Children's
Court Magistrate
& well-known
child advocate):*

"There can be nothing more confusing or devastating for a child than to be removed from their family, even for a short period of time. Do we have an alternative? Yes – Aunties & Uncles. My many years on the Children's Court Bench has convinced me we must do more to keep the family unit intact wherever possible. Please help us do just that."
